PLANNING: AN OPTION OR AN OBLIGATION

Planning for your own demise is not a pleasant thought. However, your only two options are to plan ahead or leave the task to your loved ones. Whether you have already begun the process, or have no idea where to begin, we are here to help. Preplanning your burial ensures your own wishes are known, you reduce the stress placed on those left behind, and you ease the financial burden that would otherwise be placed on your loved ones. We offer preplanning appointments to discuss arrangements, memorials, wants, needs, and costs.

To make an appointment, please call Roberta at 216-351-1308 for Lutheran Cemetery, or at 330-225-7040 for Hope Memorial Gardens.

The Cleveland Lutheran Veteran's Club

We are sorry to say that this past Memorial Day was the last time The Cleveland Lutheran's Veterans Club will be able to host. There are no words to express our gratitude for all the years they have hosted, and we are forever grateful for the beautiful monument they had placed by our flag pole in tribute and dedication to all those who have served our country.

THANK YOU TO OUR VOLUNTEERS

In honor of Memorial Day, flags were placed at over 1,300 veteran graves at Lutheran Cemetery, and nearly 500 veteran graves at Hope Memorial Gardens. We would not have been able to do this without our volunteers. We are grateful to each & everyone one them. We would also like to express our gratitude to the local Brunswick 4-H youth club for coming out and spending time at Hope Memorial Gardens to ensure the veterans that our buried there were also honored properly.
